CAPABILITIES

Material 100% polyurethane

Color Black

FEATURES

- Mat takes up less space and is easy to move out of the way.
- Several features allow users to switch postures and stretch muscles.
- Mounds on the outer edges allow users to stretch arches and ankles.
- Raised front edge allows users to step up to improve standing circulation. Textured surface lets users massage feet for even more comfort.
- Heel-grab feature helps pull mat out from under desks without bending down.
