**STANDING DESK CONVERTER-RISER**

UDA100-riser

---

**CAPABILITIES**

- **Height Range**: 16.7"  
- **Adjustment Type**: Pneumatic  
- **Weight**: 55 lbs  
- **Weight Capacity**: 28.6 lbs  
- **Color**: Black or White Finish  
- **Warranty**: 2 years

---

**FEATURES**

- Pneumatic adjustment does not require an electric outlet  
- Converts any surface into a height adjustable workstation  
- Counterbalances to support the weight of your equipment  
- Palm rest included

---

*Note: Because the upper worksurface moves backwards as it rises, place the unit at least 2.5" from the wall.*

---

**SIDE VIEW**

- **Depth in lowest position**: 34.3"  
- **Depth in highest position**: 24.8"  
- **Height (from desktop) in lowest position**: 6.3"  
- **Height (from desktop) in highest position**: 22.9"  

Keep the unit in a position so that the Keyboard Tray rests ON the desktop when in the lowest position, to prevent any risk of the unit tipping forward.
