

TOP271

## CAPABILITIES

**Thickness** ..... 1"

**Full Depth**.....30"

## FEATURES

- 1" thick carbonized bamboo desktop is handcrafted via environmentally friendly methods
- 33% thicker than our competition's 3/4" thick desktops
- Our Moso species bamboo tops are sustainably sourced, grown without pesticides or fertilizers, constructed with European E1-level adhesives, and finished with a water-based German wear-resistant UV coating
