DESK-TO-WALL CABLE ORGANIZER

FEATURES

- Modesty Panel mounts to the back or side of your desk, and stores wires and cables in a velcro pouch.
- Accessory Hook is perfect for keeping small hangable items such as headphones, bags or keys organized and within easy reach
- Reusable cable ties organize cords and screw-in cable mounts secure them underneath desktops
- Self-adhesive cable mounts allow for easy, customizable management of wires underneath your desk for a clean look
- Power strip allows corded devices to travel up and down with your desktop without disruptions
- Cable management clips hold cables in place on desktops and workstations
- Desk-to-wall cable organizer conceals and protects cords from your desk to a wall outlet in a single bundle
